

# DAVID THROCKMORTON

## UI/UX DESIGNER

Over the last decade I've become a strong advocate for user-centered design methodology, developed an appreciation for the unexpected visual delights that elevate a user's experience, and continued to be an adamant serial comma enthusiast.

## SKILLS

## EDUCATION

### BFA IN GRAPHIC DESIGN, CONCENTRATION IN ANIMATION

MICA | 2001 - 2005

## WORK EXPERIENCE

### UI/UX DESIGNER & FRONT-END DEVELOPER

CAPITAL ONE | 2009 - PRESENT

Work on capitalone.com, delivering on business needs while elevating the brand and designing the best possible user experiences. Work in close partnership with marketing strategists, business analysts, and development teams. Create and maintain design/development guidelines for other segments and outside agencies. Design user interfaces and marketing artwork. Develop prototypes and conduct user research.

### WEB DESIGNER

UNIVERSITY OF RICHMOND | 2009

Collaborated with another designer and developer in the redesign of richmond.edu. Assisted in the design and development of a flash interactive campus map. Proposed and created a web style guide.

### WEB DESIGNER

MANGOSEED STUDIOS | 2008 - 2009

Designed banners, logos, emails, and case studies.

### WEB DESIGNER & FRONT-END DEVELOPER

CIRCUIT CITY STORES | 2006 - 2008

Designed and developed marketing pages and emails. Designed banners, logos, and icons.
